

Special Newsletter : International Women's Day

"To be truly transformative, the post-2015 development agenda must prioritize gender equality and women's empowerment. The world will never realize 100 per cent of its goals if 50 per cent of its people cannot realize their full potential" Secretary-General Ban Ki-moon

Few Graphs showing the status of the women in PPD member countries

Let's MAKE IT HAPPEN

- PPD is mandated to ensure the Sexual Reproductive Health Rights for adolescent and young women of the member countries.
- PPD is the intergovernmental voice of 59% of the world population and half of them are women.
- PPD is the integral part of the unprecedented global movement 'Every Woman Every Child' to address the major health challenges facing women and children across the world.
- PPD is using its intergovernmental platform and enhancing its effort of population diplomacy for the betterment of the sexual reproductive health rights for the half of the women population. Of the world.
