

SSC EXPERIENCE IN RH and FP of INDONESIA

presented by:
Nofrijal
Principal Secretary, BKKBN. Indonesia

TAICANG, 10th July 2019

Background

a

SSC for sharing perspective development;

b

SSC part of Indonesian's Development Programme

c

SSC strengthens regional relationship;

d

SSC mechanism to also from other countries

Background

e

Facilitates achievement of development goals, including the SDGs;

f

BKKBN has an impressive legacy of SSC programmes on family planning since 1980s.

g

Indonesia is in the process of establishing a single agency to deal with SSC programmes;

h

SSC is not a training programme. It is a learning experience.

South South Cooperation – Origin

- ▶ SSC initiation: Bandung, Indonesia: 1st Asia Africa Conference, April, 1955
- ▶ Attended by 29 independent countries representing more than half global population

Indonesia after ICPD Cairo 1994 :

1. Right-based FP approach
2. Strengthening SSTC
3. Strengthening Colombo Plan
4. Observation Study Tour at Training centres
5. Conducted international forum/ conference
(Youth Forum 2014, ICFP 2016, SSTC conference 2018, PPD High Level Meeting 2017, 2018)

Scholarship programme

- ▶ Participation of Indonesia and international development.

Current SSTC Programmes:

1. Strategic Partnership with Muslim Religious Leaders (MRLs)

Current SSTC programmes:

2. SSTC clinical training on comprehensive, rights-based family planning.

Current SSTC programmes:

4. Bilateral cooperation between Indonesia and the GOFP of Vietnam.

Bilateral SSTC with the Government of the Philippines

Bilateral cooperation between Indonesia and the GOF of Vietnam

Current SSTC programme:

5. Bilateral cooperation between Indonesia and Seychelles on Centre for Excellence on Family Welfare.
6. Scoping Mission for Initial Collaboration between Indonesia and Republic of Timor Leste.

Scoping Mission for Initial Collaboration between Indonesia and Republic of Timor Leste.

SSTC on Family Planning Related Issues 1980-2017

SSC (on FP Related Issues) Recipients by Region 1980–2017

SSTC in Indonesia

- **SSTC - 1980s - 2017**
 - **Bilateral & Multiple:** MRLs, Clinical Comprehensive Rights based FP, RHCS, Programme management including district leadership, demand creation, ARH
 - **Bilateral:** Numerous - Philippines- Indonesia Autonomous Regions of Muslim Mindanao in family planning, adolescent reproductive health & leadership: powerful - both contribute, both benefit
 - Shift from fee-based modality to scholarships & partial scholarships by GoI

Our future offer and needs:

In addition to the current SSTC programmes, Indonesia (BKKBN) is also planning to the following SSTC:

1. SSTC on Youth and Demographic Dividend.
 2. SSTC on Family Planning Services under the Universal Health Coverage.
 3. FP Village Model
 4. Integrated Youth Centres
 5. Family Life Cycle Approach
 6. Contraceptive Update Training
 7. Micro Data on Family Enumeration
- 

Our Competitive Eminent Aspects in Pop & FP Program:

1. Community Participation
 2. Advocacy and IEC
 3. Family Census and Mapping
 4. Family Development and Nutrition
