

## Indonesia's South South Cooperation Programme:

*Bridging the Knowledge Gap through Cooperation among Equals  
Making SDGs & ICPD a Reality*

presented by:

H.E. dr. Hasto Wardoyo, Sp. OG(K)

Chairperson

National Population and Family Planning Board of Indonesia

Tunis, PPD International Inter-Ministerial Conference, 3 September 2019

## South South Cooperation (SSC)

a

SSC for sharing development perspectives

b

SSC part of Indonesian's Development Programme

c

SSC strengthens regional relationship;

d

SSC mechanism to also from other countries

## South South Cooperation (SSC)

e

Facilitates achievement of development goals, including the SDGs and ICPD PoA;

f

BKKBN has an impressive legacy of SSC programmes on family planning since 1980s.

g

Indonesia is in the process of establishing a single agency to deal with SSC programmes;

h

SSC is not a training programme. It is a learning experience.

## South South Cooperation – Origin

- ▶ SSC initiation: Bandung, Indonesia: 1st Asia Africa Conference, April, 1955
- ▶ Attended by 29 independent countries representing more than half global population

## Indonesia after ICPD Cairo 1994 :

1. Right-based FP approach
2. Strengthening SSTC (South South Triangular Cooperation)
3. Strengthening Colombo Plan
4. Observation Study Tour at Training centres
5. Conducted international forum/ conference (Youth Forum 2014, ICFP 2016, SSTC Conference 2018, PPD High Level Meeting 2017, and 2018)

Road to Nairobi Summit on ICPD25:  
Accelerating the Promise

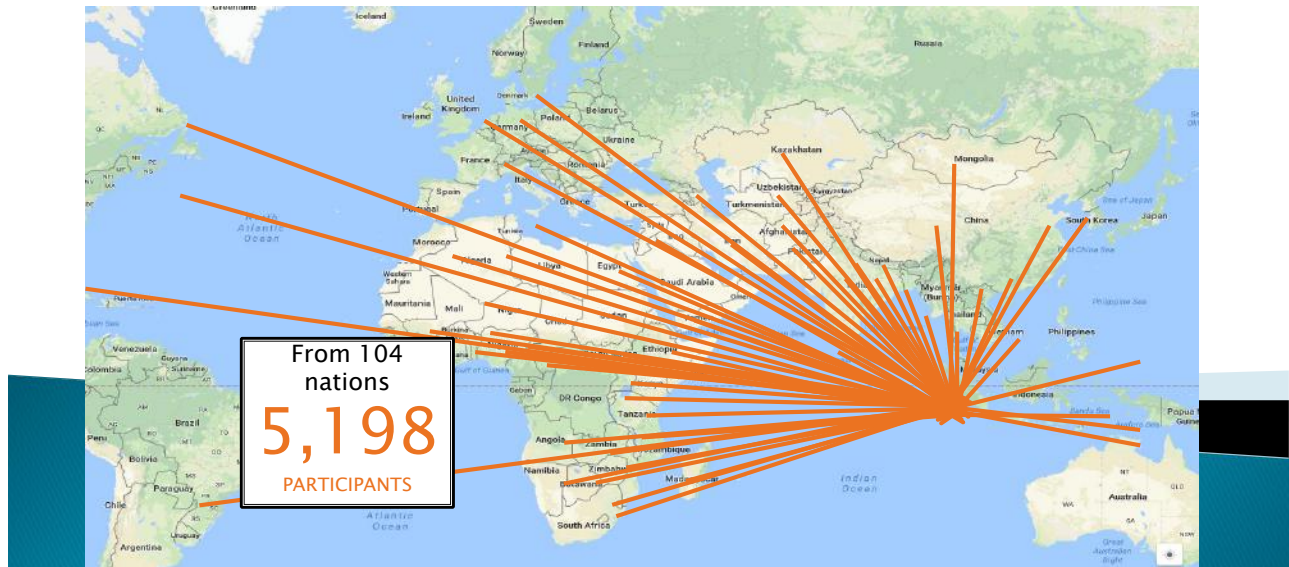

## The 2030 Agenda as a basis for results-based management

**The 2030 Agenda is a shared framework for providers and partners in development co-operation.**

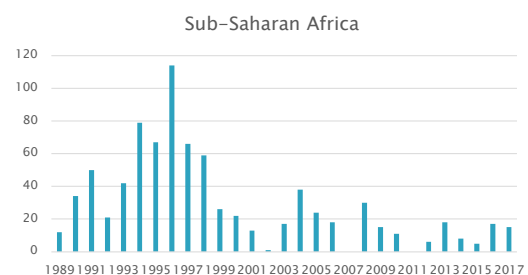

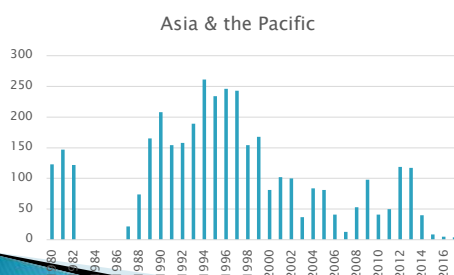

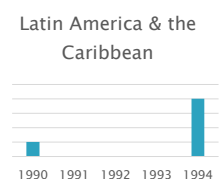

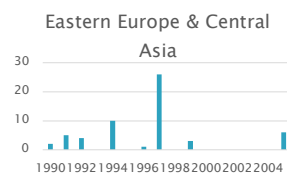

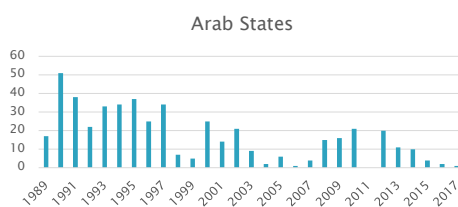

With its 17 goals, 169 targets, 232 indicators and given deadlines (mostly 2030), the 2030 Agenda serves as a global and country-level results framework for sustainable development results, to which development co-operation contributes.

# Indonesia's SSC on Family Planning Related Issues 1980-2017
